January 2010

Dear Unit Leader:

The Summer Camp season for the Year 2010 is quickly approaching. The summer camp staff is looking forward to another great year at Hawk Mountain Scout Reservation. Here is your copy of the Leader Guidebook. Please read it carefully. There are several changes that will affect your unit during your stay at summer camp. Our goal is to provide your Scouts with the greatest summer camp experience possible. We hope that you will find the changes very beneficial to the Scouts and the Scouting program. Some of the changes for 2010 includes

- Several new merit badges are being offered
- More training opportunities for Leaders
- Remember both in council and out of council units must bring a tour permit with you to camp

The Hawk Mountain Council supports the idea that no scout should be deprived of a summer camp experience due to financial circumstances. Partial camperships are available to Scouts in the Hawk Mountain Council. Please contact the Council Office or contact your District Executive concerning the Campership Program.

Remember that this Leader Guidebook will be your map to a successful summer camp experience within your troop. Read it carefully and thoroughly. **Please remember to attend the Leader's meeting on April 18, 2010 at 1:00 PM at the Hawk Mountain Scout Reservation, Willits Dining Hall. There will be updates and new information concerning the 2010 summer camp season.** Your unit will be able to sign up for summer camp 2011 at this time. If you have any questions, please do not hesitate to contact me at the Council Service Center at 610-926-3406

Yours in Scouting,

Sally Trump

WHAT IS BOY SCOUT CAMP?

Hawk Mountain Scout Reservation offers long term camping (6 nights) to Boy Scouts from the Hawk Mountain Council as well as other visiting Councils. Our Camp operates 7 weeks during the summer with 20 Campsites available to Troops. The Scouts sleep in platform tents on canvas cots. We offer a variety of programs, merit badges and, of course, a well stocked Trading Post.

The following information will help serve as a guide for your Troop to have a wonderful Summer Camp Experience.

Camping is the great outdoor adventure of Scouting. The most crucial element of camping is that each Scout should have the opportunity that the Boy Scout Handbook promises.

The Hawk Mountain Scout Reservation is a 700-acre tract of land dedicated to offering Scouts the chance to experience the beauty of the outdoors. We serve over 2,300 Boy Scouts each summer. We are proud to be involved with the Forest Stewardship Program through the state of Pennsylvania.

In addition to our Summer Camp Program, the camp is the center for training adult leaders in the Cub Scouting, Boy Scouting, Venturing and Commissioner Service programs. Reservations for Weekend Winter Camping begins on July 1st each year.

Kittatinny Lodge #5 of the Order of the Arrow, Scouting's honor society, utilizes the Reservation throughout the year for fellowship and service gatherings. Their service, combined with that of the Council Maintenance Committee, provides countless man-hours of up-keep for the Reservation.

HOW DO I SIGN UP FOR SUMMER CAMP?

The first day for sign-ups for the upcoming year will take place at the Annual Leaders Meeting held at the Willits Dining Hall, on April 18, 2010 at 1:00 PM. If you have attended Hawk Mountain Scout Reservation last year, this \$100.00 Reservation Fee will be rolled over to next year.

When choosing a Campsite, please keep in mind the number of boys in your Troop. Every effort will be made to keep your troop in your selected campsite, but the Reservation Director reserves the right to have your unit move to a smaller campsite or share it with another unit.

The following sites have the minimum and maximum numbers listed. If you have a small Troop (less than the minimum), inform us when you make your reservation and we will make your reservation for a ½ site.

CAMPERSHIPS

It is the philosophy of the Hawk Mountain Council that no Scout should be deprived of the camp experience due to finances. To that end, there is some support for Hawk Mountain Council units in assisting their families in meeting the costs of sending their Scouts to camp. Although the generosity of community leaders has made some limited funding available for Camperships, the Scout and his family, the unit, and the Chartered Partner/local community must share in providing the needed support. The need for Campership support must be determined at the Unit level using the Campership Request Form enclosed in the Leader's Packet.* **The request must be completed and returned to the Council Service Center before May 1.**

***The completed form must include the Parent/Guardian's written explanation justifying the request and the Unit Leader's certification. Alternately, the Unit leader may prepare and sign the written explanation with certification provided by a District Representative..**

NATIONAL AND LOCAL POLICIES

- In compliance with the Civil Rights Act Title IV, the Hawk Mountain Scout Reservation is open to **all Scouts** regardless of race, color, national origin or religion.
- Per action of the National Council Executive Board, BSA, at the October 1987 Meeting – “All outings must have at least **2 ADULT LEADERS**, 1 (one) who must be 21 years old or older and hold a current BSA registration. The second adult must be at least 18 years old or older.”
- Each Troop is under the direction of these competent adult leaders who are in residence at all times with the Troop.
- With the National Council emphasis on the elimination of **CHILD ABUSE**, care should be taken for the new campers. All too often, the first camping experience becomes the last due to the way a Scout is treated by his peers and adults. Hazing will not be permitted in any form. Troop adult leadership is responsible to see that it does not occur. **THERE ARE NO ACCEPTABLE INITIATIONS.**
- Per National Council Policy on **ALCOHOL & DRUGS** – “Use of alcohol or drugs are forbidden in any Scouting activity.” Anyone caught with alcohol or drugs on camp property will be asked to leave immediately. Local and state authorities will be contacted concerning any such cases.
- Use of **TOBACCO** by anyone under the age of 18 is forbidden on camp property. **SMOKING IS PROHIBITED IN ALL BUILDINGS AND PROGRAM AREAS.**
- Per National Council Policy on Firearms – Handguns are forbidden on Camp property. There are no exceptions to this rule. Camp will supply single shot, bolt action, .22 caliber rifles for merit badge work and open shooting. The staff is familiar with our rifles and their condition. Only camp ammo and shotguns may be used. Scouts are allowed to bring their own bow for archery merit badge. The bows need to be checked in the Camp Office immediately upon arrival at Camp. No bow in excess of 35 lb. pull may be used.
- Swim wear per National Standards – For males, brief tank suits, such as Speedos are inappropriate. If preferred, males may wear brief tank suits, but they must be worn underneath boxer or gym style swim trunks. For females, bikini suits are not suitable. One-piece competitive style suits are suitable.
- Per Local Council regulations, do not bring any firewood with you. There is sufficient firewood available on the Scout property and we do not want any invasive species introduced to the Reservation..
- Per National Council Regulations, the Buddy System must be used at all times.

- Per the National Council Policy on **transportation** of Scouts, these are the necessary regulations:
 1. All drivers must possess a valid license.
 2. All drivers must be 21 years old or older.
 3. The vehicle must have a valid inspection sticker.
 4. Driving should be done during daylight hours.
 5. Traffic regulations must be adhered to.
 6. A relief driver at least 18 years of age is available.
 7. Minimum Liability Insurance of \$50,000 - \$100,000.
 8. Truck beds and truck campers may not carry passengers.
 9. Only one passenger per seat belt.

- As per National and local Council Policy, all Scouts that are “no shows” to camp need to be verified by a telephone call. In addition, any camper who is a minor and is to leave camp for any reason needs to be signed out by a parent/guardian in the Administration Building. If the camper is being taken by a person other than the legal parent or guardian, verification of identification of this individual is required.

- Per Hawk Mountain Council Policy of **Vehicles** – “Because of potential safety hazards, vehicle permits are restricted to camp service vehicles and all vehicles used to transport physically disabled persons. Any request for special permission to transport physically disabled persons must be made in writing 30 days prior to your stay at camp to the Reservation Director.” “Per National Policy, three and four wheel ATV’s are not permitted in camp. No Bicycles are allowed in camp as well”.

- Per National Council Policy on **Parking** – All vehicles must be kept in the assigned parking areas for the safety of the Scouts. Vehicles will be permitted to the campsite for the sole purpose of unloading/loading troop equipment.

- In compliance with Pennsylvania State Health and Safety Codes, **no dogs or other pets** are permitted in camp during the camping season.

- Per Hawk Mountain Council policy on **cutting trees** – “No trees are to be cut without the specific permission of the Reservation Director or designee. A \$5.00 per inch of diameter penalty fee will be assessed by the Camp Ranger for trees cut without permission.

- Scout Camping at the Hawk Mountain Scout Reservation is to be guided first and foremost by the **Scout Oath, Scout Law, the Outdoor Code and Hawk Mountain Scout Reservation Leave No Trace principles.**

YOUR ARRIVAL AT THE HAWK MOUNTAIN SCOUT RESERVATION

Your Troop will be arriving on Sunday. You should plan to arrive no earlier than **1:00 PM and no later than 3:00 PM**. All vehicles must first stop in the parking lot. There will be a host/guide waiting for your Troop. Your Guide will have a checklist for your Troop to follow. Attached in the back of this Leader Guide Book is a complete Scoutmaster Checklist to follow.

- 1. All Scouts and Leaders, needing Swim Checks should carry their towel and swimming trunks when they arrive at camp.**
2. Upon arrival, camp photographs will be taken as part of the check-in process. This is optional for each Troop. Orders are needed at check-in. All Scouts and Leaders are asked to be in uniform.
3. While the unit begins the check-in process, the Unit Leader is asked to report to the Administration building to turn in Troop rosters and other paperwork. Please see Scoutmaster checklist for detailed information. An appointment will be made for a meeting on Monday to take care of fees. **[As per National Regulation, we need to obtain verification of any absentee or “no-show” Scouts.]**
4. While the Unit Leader is in the Administration Building, the Scouts will go to Hafer Lodge to receive camper bracelets and swim tags.
5. Medical evaluations – All Scouts and Leaders will have a medical re-check. Please follow the directions of your guide as you prepare for this evaluation. The leader should have all medical forms available when he checks in at the Administration building. **(All medicals will be returned to the troop at the end of the week.)** Please be sure copies of the medical are made prior to camp. Any adult staying more than 24 hours overnight needs a medical signed by a physician. **All prescription drugs must be given to the medic. Arrangements will be made with the medic to dispense all medication. A limited amount of medication for life threatening condition may be carried by the camper or leader.**
6. Proceed to the Dining Hall for a brief orientation.

Proficiency levels are non-swimmer, beginner, and swimmer. Retests will be offered daily from 3:30 to 5:00 at Reary Pool. Troops have the option of completing swim testing prior to coming to camp at their convenience using the guidelines found on the form enclosed with this packet.

*** YOU NEED TO CALL ONE WEEK IN ADVANCE IF YOU WANT TO PARTICIPATE IN THIS PROGRAM – Please call the Administration Building at 570-754-7552.**

The above items will be done with your Guide. After these items are completed, the following can be done by the Troop.

- **QUARTERMASTER PICK-UP** – Some time Sunday afternoon, the Senior Patrol Leader needs to have the quartermaster issue picked up. The issue may include fire tools, bucket, hose, and the cleaning kit for the latrine.
- **LEADER MEETING** – One Unit Leader needs to go to the Administration Building Conference Room for a brief meeting at 4:00 PM on Sunday. Since this meeting may run an hour in length, you should be in Class “A” uniform ready for dinner. Any final changes and schedules as well as other pertinent information relating to your week at camp will be distributed at this meeting. At the same time there is a SPL meeting.
- **RETREAT CEREMONY** – The colors are retired daily at 5:50 PM. Units utilizing the dining hall for meals are expected to be in attendance in full uniform. Each Senior Patrol Leader will be called on to report the attendance status of the Unit. **(Sunday and Friday’s retreat will be held at 7:45 PM due to the Campwide Campfire. For these two retreats only, please line up on the road above the Dining Hall.)** All Troops are asked to bring their Troop colors.
- **FIRST MEAL** – The first meal served is Dinner on Sunday. For those Troops eating in the Dining Hall waiters need to report to the Dining Hall steward at 5:30 PM. **An adult should be seated at each Troop table.** Those Troops eating heaterstack will have their meal delivered in special containers anywhere from 5:45 – 6:15 PM. After the delivery of your first meal, you can judge your times of meals in order for your own Troop flag ceremony.
- **MERIT BADGE SIGNUPS** –Scouts, through their Scoutmaster, will be able to sign up in advance for merit badges. This is accomplished by having the Scoutmaster forward to the Hawk Mountain Council Service Center a list of attending Scouts and the merit badges they desire to take (form included with this Guidebook) or by taking advantage of our online merit badge signup (directions included in packet). Online merit badge signup may be done up to the Wednesday before you arrive at camp. If the hard copy merit badge signup form is used it must be received at the Council Service Center or faxed directly to the camp at 570-754-7889 **at least 10 days before your arrival at camp.** Every effort will be made to accommodate all requested merit badges. Online signups will also be available for COPE. When we must limit the number of Scouts taking a merit badge, requests will be first come, first served. Scoutmasters should bring all signed blue cards corresponding to the listing previously provided to the Merit Badge Sign-up Sunday night. **Blue merit badge cards should be separated by areas when bringing them to the Sunday evening sign-up.**
- **SUNDAY EVENING – MERIT BADGE SIGN-UPS** – Scouts who have not already signed up for merit badges (see above) will have the opportunity to sign up for merit badge instruction at 7:00 P.M. **They need to bring a signed merit badge application to sign-up.** Additional information/locations will be distributed at the Leaders’ Meeting – Sunday, 4:00 PM Administration Building. Scouts should verify their participation at the COPE course at 7:20 P.M., Sunday. All Pathfinder participants are required to attend a meeting at 7:00 P.M. at the Pathfinder program area.
- **WELCOMING CAMPFIRE** – At 7:45 PM all Troops are asked to gather on the road above the Dining Hall. Troop flags are encouraged. We will proceed together to the Campfire Circle. Adult leaders are asked to be seated among their troop members.
- **TAPS** – Our day closes each day with taps at **10:00 PM.** All Scouts are expected to be in their campsite by that time. **Scouts are not to be outside their designated campsite after this time.**

DURING YOUR STAY AT THE HAWK MOUNTAIN SCOUT RESERVATION

- **FIRE & EMERGENCY SIRENS** – In the event of an emergency or fire, a series of siren blasts will be heard. Whenever the siren does sound, all program areas will close immediately. All Scouts and Leaders must proceed to their respective campsites. After a roll call has been taken, **a runner with a buddy from the troop must report to the Camp Administration Building.** The runner and buddy will be informed as to the nature of the emergency and what, if any, action your Unit must take. An **ALL CLEAR** consisting of five second blasts will sound ending the emergency.

Please **post the Troop Fireguard Chart** immediately upon your arrival at camp. Familiarize your Scouts with the procedure for response in an emergency. **Be sure to appoint your Troop fire warden.**

If you discover a fire, report it to the nearest staff member. They have been trained in emergency procedures. Return to your campsite.

The best way to avoid a fire emergency is to train your Scouts in the proper care of a fire. All fires at camp must be under adult supervision.

- **CHAPLAIN SERVICES** – The role of Camp Chaplain is two-fold. First they offer spiritual direction in the form of a Scout Vespers Service. This service will be held on **Wednesday evening at 7:45 PM in the Camp Chapel.** All Units are encouraged to attend this brief yet essential moment to recognize a Scouts Duty to God.

The second service provided by the chaplain is counseling. Occasionally, during a boy's stay at camp, problems arise. The chaplain is available to assist the Troop Leader.

- **HEATERSTACK** – For those Units utilizing the designated campsites at Camp Meade, we have an alternative feeding arrangement. Each breakfast and dinner meal, the heaterstack driver will deliver the same menu as used in the Dining Hall. Troops using the heaterstack method need to prepare and clean the campsite with each meal to ensure good health and cleanliness. In 2010 all heaterstack troops will have the opportunity to eat breakfast and dinner in the Marlin Miller Conference Center.

Troops are encouraged to follow the following pattern in their campsite. Set-up crew, a Scout to lead grace, after meal announcements and songs, and a clean-up crew.

Heaterstack Troops have the option of having their Friday BBQ served in their campsite. This offers an opportunity for your Scout families to share a meal together. Please inform the Camp Administration at check-in on Sunday if you would like to do this.

- **PATROL COOKING** – Scouting encourages the tradition and skill of outdoor cooking. This is an option at Camp Meade! Please contact the Food Service Director in advance, on Monday, for any cookout desires. You may receive the regular food issued for the meal or a special menu may be arranged. This is important for 2nd and 1st Class cooking requirements.

- **ADMINISTRATION SERVICE** – The Administration Office of Camp Meade offers several services. The office is open for the purchase of Merit Badges (Please Note an Advancement Report is required to purchase badges), Rank Advancement Patches, and Rifle/Shotgun tickets. The lounge of the Hofmann Administration Building is open for Leaders comfort. Complimentary beverages are available. Troop mailboxes are located in the lounge. If a problem arises that your commissioner cannot solve, please direct your needs to the Camp Management. The office is open each day until 9:30 PM.
- **COMMISSIONER SERVICE** – Throughout your week at Hawk Mountain, the Commissioner provides daily contact with your Troop. The Commissioner will assist your Unit in any program and advancements needs. Any problems should first be directed to the Commissioner. Your Troop Leadership Corps are the first teachers in skills. However, the Commissioner staff will complement your staff in skill instruction.
- **CAMPSITE CHECK-IN INSPECTION** - The Senior Patrol Leader, with advice from his unit leader, is responsible for the inspection of his campsite upon check-in. The objective is to make sure the campsite has been left in both a clean and safe condition. At the Sunday 4:00 PM SPL meeting your SPL will be given a form for recording this inspection. This form is to be turned into the Camp Commissioner on Monday. Your SPL should pay particular attention to the condition of the tents and cots.
- **CAMPSITE INSPECTION** – Each day the SPL, with advice from his unit leader, is responsible for the daily inspection of his campsite. The objective is to make sure the campsite is both clean and safe. Note any problems and report them to your camp commissioner. Your SPL will be given two copies of a form for recording the daily inspection – one copy for posting on the unit’s bulletin board and a second copy for daily turn in. The SPL notes the results of his inspection on the posted copy and on the camp commissioner’s copy. He is to put the camp commissioner’s copy in the camp commissioner’s mail box each day before 5:00 PM. This copy will be returned to you each day after the camp commissioner has seen it.
- **SENIOR PATROL LEADER MEETING** – Sunday at 4:00 PM and Tuesday at 9:00 PM, the SPL’s gather for a brief meeting at the Dining Hall. Working together with the Commissioners and Program Director, they help in the planning of special events. At this meeting SPL’s will learn about conducting campsite inspections.
- **HAWK TALK** – This is a Hawk Mountain tradition! This daily newspaper shares the day’s events and special announcements. The Hawk Talk will be available at your morning meal. Posting it in your campsite will take care of many scheduling questions.

THE LAST TWO DAYS AT HAWK MOUNTAIN SCOUT RESERVATION

The most confusing days occur at the end of the week. This section is provided to assist you in finishing your week at camp without difficulty.

FRIDAY

Pathfinder Program

It is our recommendation that all first year Scouts participate in the Pathfinder Program. The advancement opportunities and the exposure to all areas of the camp will help assure that these campers have a positive experience.

The Hawk Mountain Scout Reservation realizes how important it is to work with new scouts in the Boy Scouting program, and attempting to maintain them to continue their scouting path in the future. Therefore, the Pathfinder Advancement program is an important part of our camp program. It allows scouts the opportunity to advance through **most** requirements for the Tenderfoot, Second Class, and First Class ranks; as well as earn two merit badges toward advancement goals.

The program is held in its own program area, and will utilize all of the camp facilities. Scouts interested have to sign up **only** for this program, since it will fill the entire day for each day at camp.

A trained staff will work with scouts to achieve requirements toward their three ranks. Staff will be utilized from other program areas to work on Indian Lore merit badge and Mammal Study **or** Swimming merit badges. Scouts will have the opportunity to complete all of these during their stay at camp.

Troops wishing to have their boys participate in this program are requested to send at least one leader to assist scouts who are participating in the program.

Please remember that it is the leader's responsibility to sign off the requirements in the Boy Scout handbook and the HMSR staff will provide the leaders with a list of completed requirements.

Use the form enclosed in the Leader's packet to sign your Scouts up for the Pathfinder program. You may send the form in early with your merit badge sign-ups, or bring it with you to camp.

If your Scouts are planning on taking the Swimming merit badge be certain they are strong swimmers. We want all first year campers to be successful and have the very best camp experience they can have.

There is a fee of \$16.00 for Pathfinder. This fee includes merit badge materials as well as a patch.

More information will be released at the leader's meeting.

EVENING PROGRAM

Monday, Tuesday, and Thursday Evenings: “Open/Troop Program”.

In working with the Camp Meade Director and Area Directors, we hope to cater to a larger number of requests. All areas will be open both nights for such things as, but not limited to, Shooting Sports – Rifle, Archery and Black Powder, Boating, Climbing and Rappelling, Swimming, Indian Lore, Nature Trail, Handicraft, or Scoutcraft.

These evenings may also be used for your troop to do its own program such as cooking out, an inter-troop campfire, a conservation project, new skills instruction, a patrol/troop hike, a ball game in the field, or whatever. With some advance planning and imagination, your PLC can do almost anything or any combination of the programs offered. Conservation Projects can be scheduled with the Nature Director on Monday, to be done throughout the week.

Wednesday Evening: A Service at the Chapel will be offered at 7:45 PM. “A Scout is Reverent.” We encourage all Scouts and Leaders to attend.

Wednesday Evening: The Order of the Arrow Call-Out Ceremony will be held at 8:30 PM. We will proceed directly from chapel to the ceremony.

Friday Evening: Retreat and Campfire. See “The Last Two Days at the Hawk Mountain Scout Reservation”.

ADVANCEMENT PLAN

Advancement is an integral part of Scouting and as such is important to any successful week in camp. The following are guidelines for planning your Scout's trail during your stay at Camp Meade. There are two essential thoughts to keep in mind while counseling those who plan to attend camps: 1) the individual boy's skill and desires, and 2) the schedule of times needed to complete any badge. Please be sure to counsel each boy individually noting the prerequisites that merit badges may have. These prerequisites are given in order to assist you and the Scout in completing the skills.

MERIT BADGE PROGRAM

Only through individual counseling can you determine what badges a boy needs to work on or in which he has desires and skills. Here are some crucial steps in the planning process.

- **A boy's physical skill needs to be considered especially in the aquatic badges. In shooting sports, the years of shooting archery, rifle, and shotgun need be considered.**
- Scouts should **come to camp having read** the requirements and reviewed the Merit Badge Book. Prerequisites should accompany them to their first class.
- **Merit badge applications** should be **readied** prior to camp arrival, including signatures.
- **Scouts** who come prepared will be able to finish the badge in less time having additional time for open areas and Troop programming. Please be sure to carefully review pre-requirements for each Merit Badge.
- All merit badge work should be completed by Friday noon, with the exception of all Boating merit badges. This will allow the Troop time for the camp-wide open program and board of review.
- We will be offering Fingerprinting merit badge that Scouts will be able to begin to take mid week if they complete other merit badges early. Scouts will have an opportunity to visit the Handicraft program area to schedule this.

PARTIAL COMPLETION

For all merit badges, a boy will receive a partial statement if he has completed any of the requirements. The partials will state the requirements that the Scout has accomplished. The philosophy behind a partial is for a boy to return home and complete the badge as soon as possible. The counselor has the right to review any and all of the completed requirements before signing for the merit badge. (If necessary, a return to camp during the same summer is possible, even for a day visit, in order to complete the badge requirements).

ORDER OF THE ARROW

* **Kittatinny Award** – This program is a long-standing tradition at Hawk Mountain Scout Reservation. Scouts and Scouters can complete requirements throughout the week. They include such things as Scout spirit, advancement, service, conservation, leadership, and many program opportunities. Some awards can be earned simply by attending camp. The program is designed for all Scouts and Scouters, from new Scouts to experienced leaders. This is a great way to familiarize your Scouts and yourself with the camp and its programs and to help keep you busy.

Forms for the Kittatinny Award will be given at check-in. Be sure to tell your guide how many new Scouts, experienced Scouts, and leaders you have. Keep track of progress on these forms throughout the week.

A green neckerchief is available for \$4.00. The neckerchief is optional but is recommended and will be part of the Sunday New Camper Ceremony. This ceremony will be held at the end of the Sunday night campfire. Campers new to HMSR will remain behind after the campfire is dismissed with the appropriate number of adult leaders.

On Friday, turn in your Kittatinny Award Summary sheet to the Camp Meade Director. You keep the award forms so that you'll know how to stamp the neckerchiefs. All those who complete the award will receive a Kittatinny Award patch for the neckerchief. You may also stamp the back of the neckerchief for each award earned.

Be sure to bring you neckerchief to camp every year as the award may be earned every summer.

In order to receive Honor Troop, 85% of your troop in camp must earn the Kittatinny Award.

In order for the patches to be awarded, all work on the Kittatinny Award must be completed and turned into the Administration Building by **12:00 noon of Friday**. The stamps for marking your neckerchiefs will be available in the Administration Building (Friday afternoon until 10:00 PM).

Sunday – This evening's campfire includes a ceremony for all new campers at the Hawk Mountain Scout Reservation. Don't forget to bring the green neckerchiefs, if you have them, and have each new camper bring along a piece of kindling size wood for use in the ceremony. Be prepared to separate the new camper from the others when you enter the campfire circle. At the end of the campfire the seasoned campers will be dismissed. Exit the campfire area and quietly return to camp. The ceremony team will lead the new campers from the campfire to the Indian Village for their ceremony. Plan to have appropriate leadership supervising both the seasoned campers and new campers.

Wednesday – This is OA Day. Arrowmen are encouraged to show their spirit by wearing their sashes with their Class A uniform. Wednesday evening, members of the Order of the Arrow ceremonies team will conduct a "call-out" for all new members. Crackerbarrel will follow call-out in the Kittatinny Room. Out-of-council Troops need to have written permission from their own council to participate in our call-out. Every Order of the Arrow member is invited to attend the Crackerbarrel. **Please note: there will be Order of the Arrow items available for purchase at Crackerbarrel.**

Friday – The Grand Finale. Any Scout elected this year, regardless of whether he took an April or May Ordeal will be recognized by being asked to stand during the campfire's "call-out".

Order of the Arrow Participation Award is awarded to Troops that participate in the Order of the Arrow Call-Out Wednesday night, wear their sash and/or Order of the Arrow tee shirt on OA Day, which is also Wednesday. Reminder: The Order of the Arrow sash is to be worn only with the Class A Boy Scout Uniform. The Troop also attends the crackerbarrel after call-out, does a service project, has a troop visitation, and attends open program. If you have any questions, please see the Summer Chieftain. Forms for this award will be available at check-in.
